However, USDA’s regulatory provisions stated in this Contract may not be removed in the event that both parties agree to use a different contract.

THEREFORE, pursuant to the SFSP Code of Federal Regulations 225.6(h)(2)(i-xvi), the standard contract for a Food Service Management Company shall expressly and without exception provide that:

Such notification shall be provided within the time limits mutually agreed upon in the contract;

(iv) The FSMC shall maintain such records (supported by invoices, receipts, or other evidence) as the Sponsor will need to meet its responsibilities under this Part, and shall submit all required reports to the Sponsor promptly at the end of each month, unless more frequent reports are required by the Sponsor;
